## **TARGA TASMANIA EVENT OVERVIEW**

### **26 APRIL - 1 MAY 2022**

With a proud history dating back to 1992, TARGA's reputation has been built on the ability to deliver high quality tarmac rally events in unique destinations within Tasmania, Victoria and Queensland.

In 2022, TARGA Tasmania will be covering every corner of the unique island of Tasmania to become one of the worlds most unique competitive driving experiences. Do not miss the excitement and energy of TARGA Tasmania 2022.

### **SAFE SPECTATING GUIDELINES**

TARGA Tasmania is conducted under the rules and regulations of Motorsport Australia.

The event takes place on public tarmac roads, within Tasmania. TARGA uses designated sections of road, closed for the purpose of the timed competition. These designated stages are known as TARGA stages and their closure is authorised by the relevant government agency, as well as the Tasmanian Police.

The success of TARGA Tasmania relies heavily on the co-operation of all individuals. It is important that all spectators respect, listen and follow any instructions given from event organisers and officials. It is vitally important to ensure spectators are safe at all times when watching a TARGA event. Our officials and the Police will not allow a stage to start until all spectators are positioned in what they consider to be a safe location.

All spectators are required to be on the TARGA stage and in their viewing area prior to the road being officially closed, and may not leave until the 'road open' vehicle has passed through. There is to be no parking on the closed roads. It is important that spectators are aware and consider the fact that they can be on a TARGA stage for up to six hours, especially those with young children.

TARGA suggests that consideration be given when choosing a stage to watch. A junction or intersection allows for access in and out during the road closure times.

TARGA runs to the minute, so no access will be given from either end of the stage during the running of the stage. It is important to be aware that cars under competition conditions can lose control and leave the defined road at any time. Spectators must not stand in any areas which are not authorised or which are contrary to the advice of the organisers and officials. It is important that spectators can react to an approaching vehicle at all times.

The officials are positioned on the TARGA stages to ensure the safety of all spectators. TARGA asks spectators to respond to all requests from officials and TARGA staff. Spectators may be asked to relocate; this is for good reason and with the safety of all in mind.

Spectators must not emulate TARGA competitors. This only reflects poorly on TARGA Tasmania and motorsport as a whole.

Pets are not recommended in public spectating areas. If a spectator elects to bring their dog, it needs to be kept under control and on a lead at all times.

Children must be supervised during the TARGA stage.

TARGA asks that all spectators keep clear of all controls (start and finish points), including from the timing marker to the control area. Control officials may ask spectators to move if obstructing their ability to perform their job. If a spectator does wish to see a control point, then TARGA requests standing well back and responding to any instruction given by the officials.

## RISK WARNINGS, DISCLAIMER & INDEMNITY SIGNS

Motorsport Activities are inherently dangerous recreational activities and there is significant risk of injury, disability or death. If you do not wish to be exposed to such risks, then you should not attend at or participate in Motorsport Activities.

WARNING: If you participate in these activities your rights to sue the supplier under the Competition and Consumer Act 2010 (Cth)\* if you are killed or injured because the activities were not supplied with due care and skill or were not reasonably fit for their purpose, are excluded, restricted or modified in the way set out in or on this sign. In exchange for being able to attend or participate in the Motorsport Activities, you agree: due care and skill or were not reasonably fit for their purpose, are excluded, restricted or modified in the way set out in or on this sign.

In exchange for being able to attend or participate in the Motorsport Activities, you agree:

- to release the Confederation of Australian Motor Sport Ltd trading as Motorsport Australia (Motorsport Australia) and the Entities\*\* to the extent that any or all of them are providing recreational services from all liability for:
  - a. your death;
  - b. any physical or mental injury (including the aggravation, acceleration or recurrence of such an injury);
  - c. the contraction, aggravation or acceleration of a disease;
  - d. the coming into existence, the aggravation, acceleration or recurrence of any other condition, circumstance, occurrence, activity, form of behaviour, course of conduct or state of affairs:
  - i. that is or may be harmful or disadvantageous to you or the community; or
  - ii. that may result in harm or disadvantage to you or the community, howsoever arising from your participation in or attendance at the Motor Sport Activities;
- to indemnify and hold harmless and keep indemnified Motorsport Australia and each of the Entities to the maximum extent permitted by law in respect of any claim by any person; and
- to attend at or participate in the Motorsport Activities at your own risk.

NOTE: The change to your rights, as set out in or on this sign, does not apply if your death or injury is due to reckless conduct on the supplier's part.

"Motorsport Activities" means any motorsport activities or recreational services which are permitted or approved by Motorsport Australia.

"Reckless Conduct" means conduct where the supplier of the recreational services is aware, or should reasonably have been aware, of a significant risk that the conduct could result in personal injury to another person and engages in the conduct despite the risk and without adequate justification. See section 139A of the Competition and Consumer Act 2010.

\* Please note that in Victoria and South Australia, similar warnings and statutory guarantees apply under The Australian Consumer Law and Fair Trading Act 2012 (Vic), The Australian Consumer Law (Vic), The Australian Consumer Law (SA) and the Fair Trading Act 1987 (SA).

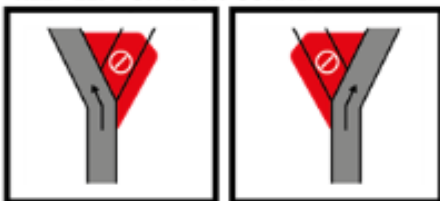

\*\* A full list of Motorsport Australia associated entities can be viewed at <https://motorsport.org.au/events/disclaimers>.

## SAFETY TAPE STANDARDS / NO STANDING AREAS

Safe public spectating areas are marked by yellow safety tape. Spectators are asked to view the TARGA stages from behind this tape. There is to be no spectating where blue/white striped or red/white striped tape is marked.

Please refer to the TARGA Tasmania Safety Tape Standards below:

# TARGA

## TARGA Tasmania Safety Tape Standards

TAPE A	 Blue/white, 75mm wide 'drivers' tape - no spectators
TAPE B	 Red/white, 75mm wide - no spectators
TAPE C	 Yellow, 75mm wide spectators permitted to stand behind this tape

## TARGA COMPETITION RUNNING ORDER

TARGA is a unique tarmac rally, where the cars run slowest to fastest. The cars start at thirty second intervals and race against the clock; and themselves, with the winner being the fastest car over all stages.

The competition numbers are based on the competition category. This means the faster and later model cars will come through each TARGA stage last. It is important that spectators remain patient, as the cars will get faster and faster.

Due to this running order, spectators may experience the thrill of passing, normally only seen on a racetrack.

The TARGA Tour cars are first on the TARGA stages and will come through in close-knit packets of around ten cars, led by a TARGA Tour Leader.

The TARGA cars will run through the stages in the following order:

**101 TO 249** - Manufacturer Tours. The background of the number panel is black with a white number.

**250 TO 349** - TARGA Tour. The background of the number panel is black with a white number.

**350 TO 399** - TSD Trophy. A speed-limited competition. The background of the number panel is yellow with a black number.

**401 TO 449** - Thoroughbred Trophy. A speed-limited competition. The background of the number panel is orange with a black number.

**450 TO 499** - GT Sports Trophy. A speed-limited competition. The background of the number panel is orange with a black number.

**550 TO 649** - Classic\*

**650 TO 699** - Classic GT\*

**701 TO 746** - Rookie Rallye\*

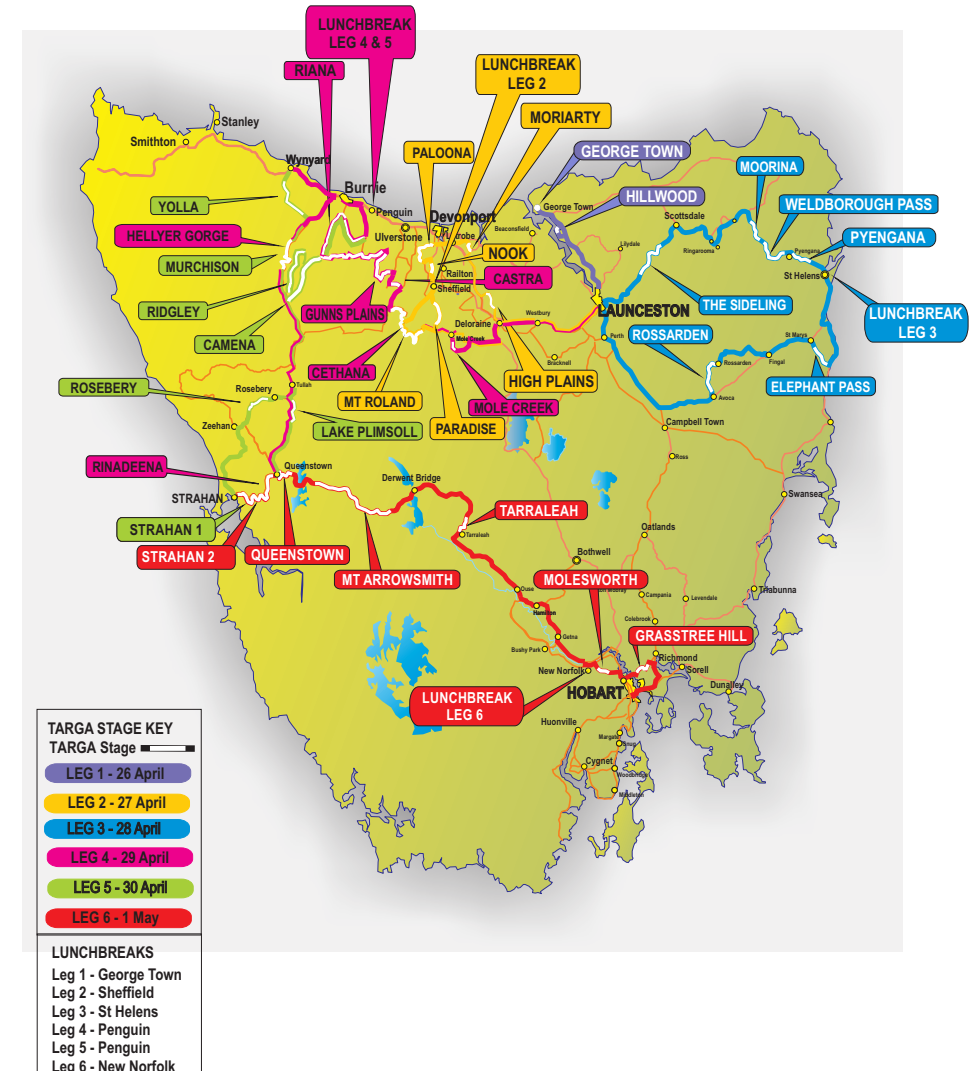

**750 TO 849** - Early Modern\*

**901 TO 949** - GT Outright\*

**950 TO 998** - GT Production\*

\*The background of the number panel is white with a black number.

## TARGA TASMANIA 2022 MAP

# THE COURSE

---

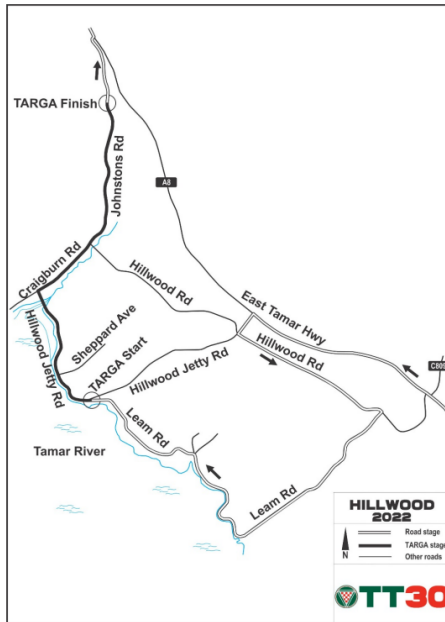

There are a number of fantastic locations to watch TARGA Tasmania 30. It is suggested that spectators take some time before the day to go and pick their spot/s.

There are a number of TARGA stages that provide little or no opportunity to safely view the TARGA competitors; the stage maps following state if there are no suitable viewing opportunities on the particular stage. Spectators can also view the TARGA cars during the open road/transport stages, which link the TARGA stages.
