

TARGA

TARGA TASMANIA 2022 RECONNAISSANCE NOTES

VERSION 2.0

Released 8 April 2022

TARGA

TT30

CONDITIONS

On receipt of the TARGA Tasmania reconnaissance notes, the recipient agrees to abide by all state road rules, to act in a manner that does not at any time jeopardise the integrity or the public image of TARGA Tasmania and not act in any way that could be prejudicial to TARGA and Motorsport Australia. This includes multiple runs over stages at increasing speeds (this will be deemed as practicing, please refer to the sporting regulations outlined below for applied penalties) by a vehicle registered too or hired by a person who is competing in TARGA Tasmania.

14. RECONNAISSANCE

14.1 Reconnaissance Notes

Reconnaissance notes will be available to competitors/crews. Competitors/crew must pay particular attention to any Care, Caution or Extreme Caution noted in reconnaissance notes. All notes of this nature must be included in the safety/pace notes to be used by the competitors/crew in the event.

14.2 Compulsory Safety/pace Notes Check

All competitors/crew using any form of safety/pace notes at the event, must declare that they have conducted a minimum of a single reconnaissance of each TARGA stage included in the event reconnaissance notes for the event. All competitors using safety/pace notes will be required to sign and submit a Safety/Pace Notes in use disclaimer form before they will be granted final permission to start the event.

14.3 Traffic Regulations

Reconnaissance must be conducted within the designated speed limits and respecting all other road traffic laws. Speed limits in each state are clearly signposted and must be respected at all times during reconnaissance. Any member of the Police is a judge of fact in relation to breaches of traffic laws.

14.4 Vehicles

Reconnaissance must be conducted only in normal road-registered vehicles (not competition vehicles) which do not carry any signwriting relating to the event or signage that could be deemed as giving the public the impression that it could be a TARGA car. Any breach of this will result in a \$500 fine for each offence, payable at or before documentation.

14.5 Reconnaissance Limit

During the three-week period before the event, reconnaissance is limited to a maximum of three passes over any TARGA stage on any one day. A competitor/crew found to be in breach of this will be fined \$500 for each offence, payable at or before documentation. This fine will need to be paid before the competitor/crew will be allowed to start on Leg 1 of the event.

14.6 Forbidden

In the interests of community relations, TARGA reserve the right to forbid reconnaissance on certain TARGA stages during the week before the event. Any such restrictions will be advised in a bulletin.

14.7 Practising

Any violation of road traffic laws arising from 'practicing' in any vehicle at any time before the event may lead to the competitor/crew concerned being denied permission to participate in the event, and being investigated by TARGA for an act prejudicial to motorsport and referred to the stewards.

14.8 Breaches

Any breach of these regulations relating to reconnaissance, shall be referred to the stewards for consideration, who may apply a penalty as high as disqualification from the event and forfeiture of all entry fees paid.

14.9 Accidents

Any competitor/crew at fault of a traffic accident on a TARGA stage before the event may be disqualified from the event following an investigation and forfeit all monies paid.

NOTES FOR USERS

- 1. TARGA advise that any of the contents of this document are subject to change between its publication and the commencement of the event.**
- 2. If there are errors please record these and forward them to megan@targa.com.au as soon as possible. Our apologies if you come across any errors**
- 3. Due to recent changes to course design parameters, some RTZ's listed in this document may be removed in the final course check. Likewise, new RTZ's may be added at this time in line with providing better protection for large crests and dips. These changes will be included in updated versions of this document.**
- 4. Don't be backward in letting anyone know in shops, motels, service stations ,etc. That you are in the area checking the TARGA route. It assists in the acceptance of the event within the local community.**

PRACTICING ON PUBLIC ROADS IS STRICTLY FORBIDDEN

ROAD MARKINGS

The time control in, stage start, restricted time zone 200m warning, start and finish, flying finish warning board, flying finish, stop 200m and stop points will be marked on the roadway with yellow paint as follows:

- (I) TC = Time control in
- (ii) TS = TARGA stage start
- (iii) One yellow triangle on either the left or the right side of the road 50m to 120m before the TF marks is the location of the flying finish warning board
- (iv) TF = TARGA stage flying finish
- (v) One yellow triangle on each side of the road 200m before the SP marks is the location for the STOP 200M boards
- (vi) SP = TARGA stage stop

RESTRICTED TIME ZONES (RTZ)

- (I) X = 200m warning board for a restricted time zone only on left side of road
- (ii) ZS = Start point of the restricted time zone only on left side of road
- (iii) ZF = Finish point of the restricted time zone only on left side of road

CAUTIONS

Cautions are marked on both sides of the road 50m (greater on fast approaches) prior to the hazard with a yellow triangle to indicate where the caution boards will be located. **These caution warnings must be noted in your safety/pace notes.**

SOS POINTS

One yellow S on the side of the road indicates the actual location of the SOS point. S1 on the side of the road 100m before S indicates where the 100m warning board will be located for the SOS point.

The SOS points must be noted in your safety/pace notes.

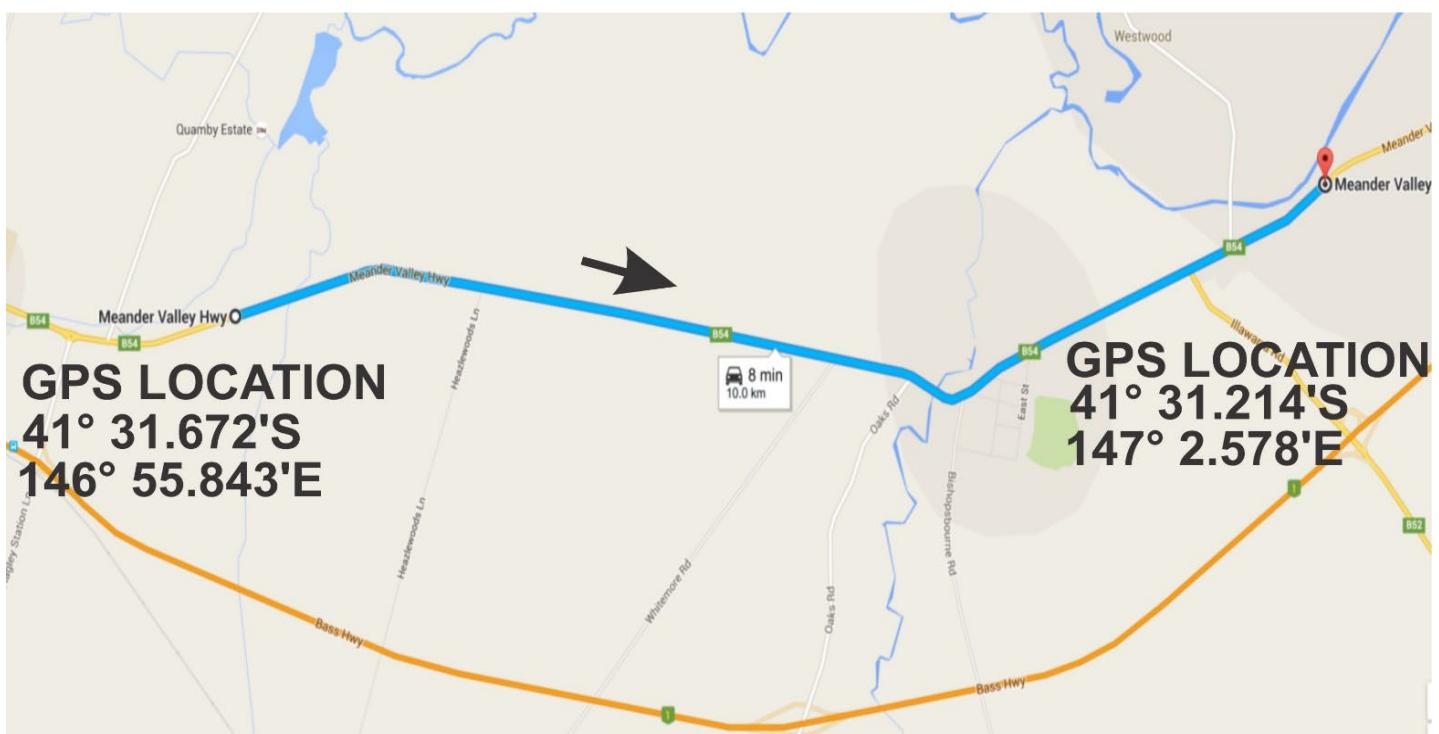

If competitors would like a copy of the event GPS points please email megan@targa.com.au to request a copy

GPS POINTS IN THIS DOCUMENT ARE SHOWEN IN THE FORMAT DEGREES, DECIMAL MINUTES. USING THE DATUM WGS 84
